Education

📅 09/2018 – PRESENT ⊙ LIMERICK, IRELAND
Bachelor's Degree in Internet Systems Development
Limerick Institute of Technology
1st Year GPA: 73.58% (1:1)
2nd Year GPA: 78.53% (1:1)
3rd Year GPA: Expecting 1:1
Relevant Modules: Web Design and Responsiveness (HTML, CSS, JavaScript), Database, SQL, Java Programming, Real-Time Embedded Systems. PHP, Software Development and Testing, UI Design and Web Project. I am currently in 3rd Year and eager and excited to learn more as I progress in my course.

Education

📅 06/2019 – 07/2019 ⊙ CHENNAI, INDIA
C, C++, Python and Advanced Python Course
Sai Infosys
Grade: A
2-month course learning the fundamentals and basics of C, C++ and Python during my summer holidays in 2019. This course also enabled me to get a good grasp on these three languages by doing real-time programmes.

📅 08/2013 – 08/2018 ⊙ LIMERICK, IRELAND
Secondary School
Colaiste Chiarain
Junior and Leaving Certificate Completed

📅 08/2006 – 08/2013 ⊙ LIMERICK, IRELAND
Primary School
St Pauls N.S
Primary school completed

Projects

📅 06/2020 – 06/2020 ⊙ LIMERICK, IRELAND
FreshIn Website
Designed and created the website for FreshIn as well as provided online content for the website. This project enabled me to get a good grasp on the various different stages on designing, planning and developing the website as well as interacting with the customers. The project can be found on https://www.freshinonline.com/

📅 09/2019 – 05/2020 ⊙ LIMERICK, IRELAND
Web Project - BioDiet
As part of my course in Internet Systems Development in second year. I did an online shopping website, where I had to use my developmental and programming skills. This project consisted of using HTML, CSS, JavaScript and PHP. This project enabled me to get a better understanding and grasp of these languages and helped me develop my research and implementation skills. The project can be found on https://github.com/FQAIN/Bio-Diet

Work Experience
